

# YELLOW JACKET® Manifold Rebuild Kits

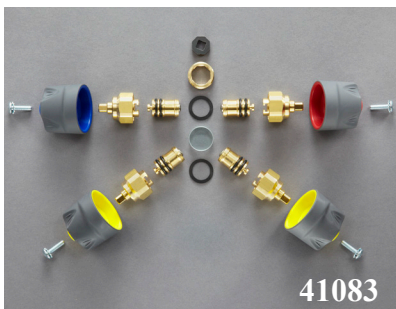

41080

41081

41082

41083

Complete rebuild kits for individual manifolds.

Contractors and wholesalers can save time and money by purchasing kit and repairing manifold on their own instead of sending it to Rithchie for repair.

TITAN and BRUTE II kits include new sight glass retainer tool P/N 41095 (sold individually as well).

See “How to Rebuild your Manifold” video under the “Videos” tab on the Series 41, TITAN and BRUTE II product pages at [www.yellowjacket.com](http://www.yellowjacket.com).
