## Refurbished Discount Program

---

Because we recognize the importance of training future HVAC&R service technicians with quality products, Ritchie Engineering is pleased to offer this exclusive discount program on YELLOW JACKET® service tools.

---

### PROGRAM DETAILS

- Refurbished product available to qualifying technical schools\* only (not students), and must be purchased through participating distributors

\*A qualifying school is one that offers an HVAC&R program at the secondary or post-secondary level

- Ritchie Engineering will publish a refurbished inventory report which will contain current product available for sale, wholesaler pricing, and the suggested list price to the school. To receive this monthly update, choose from the following two options:
  - Contact your YELLOW JACKET representative
  - Send your e-mail address to [mgency@yellowjacket.com](mailto:mgency@yellowjacket.com) with “Monthly Refurbished Product List” in the subject line to be added to the automatic monthly notification list
- Distributor purchase orders to Ritchie Engineering must be marked “Educational Discount” and accompanied by the purchase order from the technical school
- Limit of two (2) of any item (SKU) per school
- Refurbished products are covered by a 90 day warranty for parts and labor from the date of sale
