

A2L Mini-Split Tool Kits

YELLOW JACKET®

P/N 60996

A convenient way to get the tools you need to install or repair virtually any mini-split unit.

The **YELLOW JACKET® A2L Mini-Split Tool Kits** are designed for A2L refrigerant equipment, R-32 and R454B, and the large installed base of R-410A refrigerant equipment. Take the guesswork out of finding the right tool for the job. Each kit includes an A2L manifold, PLUS II™ Hoses, tube cutter, flaring tool, torque wrench, core removal tool and more to complete the job. All tools are safely kept in a tool bag. Choose from the standard or deluxe kit.

The A2L Deluxe Mini-Split Tool Kit offers a comprehensive set of premium tools designed to work for you.
